Participants:

• Main speaker: Mr. Eric Badiqué, Counsellor for artificial intelligence at the European Commission

• Facilitator: Mr. Pierre-Henri Cros, responsible for scientific prospecting and partnership services, Toulouse Institute of Computer Science Research

• Ms. Anne-Charlotte Cornut, Rapporteur to the French National Digital Council of the Cédric Villani (Fields Medal) Report " For A Meaningful Artificial Intelligence"

• Mr. Jacques Crémer, teacher and director of the Digital Centre of Toulouse School of Economics, and Special adviser for competition to the European Commission

• Ms. Amalya Yegohyan, Vice-director of the Enterprise Incubator Foundation (EIF) – Engineering City

• Mr. Eduard Poghosyan, Head of Cognitive Algorithms and Models Direction, Institute for Infomatics and Automation Problems of the National Academy of Sciences of the Republic of Armenia

• Ms. Mariam Torosyan, Lecturer at the Yerevan State University, Co-Founder of the "Institute of Innovative Technologies" (INIT) Foundation

12:15-14:00   **Lunch break**

14:00-14:30   **Presentation of the UFAR relocation (UFAR 20+) project by the Rector**

14:30-16:30   **Round table 2 : "Big data" and the "Internet of things" inputs on sustainable**

development

Participants:

• <u>Main speaker</u> : Mr. Michel Daydé, scientific Delegate at the CNRS (France's national scientific research center), Director of the Toulouse Institute of Computer Science Research

• <u>Facilitator:</u> Mr. Hrachya Astsatryan, Director of the Institute for Informatics and Automation Problems at the National Academy of Sciences of the Republic of Armenia

• Mr. Hayk Yesayan, General Director of Ucom Armenia

• Prof. Gregory Guiliani (University of Geneva), expert in Swiss datacube initiatives

• Mr. Levon Aslanyan, Head of Discrete Mathematics Department, Institute for Infomatics and Automation Problems of the National Academy of Sciences of the Republic of Armenia

• Mr. Tigran Zargaryan, Head of Fundamental Scientific Library of the National Academy of Sciences of the Republic of Armenia

19:00   Reception at the French embassy in presence of Mr. Arayik Harutyunyan, Minister of Education and Science of the Republic of Armenia

---

Thursday 11th April 2019

Place: National Academy of Sciences of the Republic of Armenia

---

9:45 – 10am   Welcoming word by the Vice-President of the National Academy of Sciences of the Republic of Armenia, Yuri Shoukourian

10am – 12pm   Round table 3 : Political issues of cyber security

Participants:

• <u>Main speaker</u> : Mr. Jérome Grüber, International Cooperation Officer and Digital Referee at the Directorate of International Cooperation (DCI) of the French Ministry of the Interior

• <u>Facilitator:</u> Mr. Gevorg Margarov, Faculty Member of the National Polytechnic University of Armenia

• Mr. Bruno Balduc, Internal security Attaché, French embassy in Armenia

• Mr. Sergey Abrahamyan, Scientific Researcher, Institute for Infomatics and Automation Problems of the National Academy of Sciences of the Republic of Armenia

• Mr. Grigori Saghyan, Vice President of the Internet Society of Armenia

12pm – 14:00	**Lunch break**
	- Travel 30 minutes -
14:30-16:30	**Visit of the Engineering City**

- *Presentation of Engineering City*
- *Presentation of Supercomputing Project*
- *Walking tour*

- Travel 30 minutes -

19:30	**Dinner**

Friday 12th April 2019

Place: TUMO Center for Creative Technologies

9:45 – 10am **Welcoming word by Mr. Pegor Papazian, Chief Development Officer at TUMO Center for Creative Technologies**

10am-12am **Round table 4 : synthetic meeting**

Participants:

• Facilitator: Jean Marc Lavest, Rector of the French University in Armenia

Rapporteurs of round tables 1, 2 and 3:

• Mr. Hrachya Astratryan, Director of the Institute for Informatics and Automation Problems at the National Academy of Sciences of the Republic of Armenia

• Mr. Pierre-Henri Cros, responsible for scientific prospecting and partnership services, Toulouse Institute of Computer Science Research

• Mr. Gevorg Margarov, Faculty Member of the National Polytechnic University of Armenia

12:30pm **Concluding word**
M. Gegham Vardanyan, Vice-Minister in charge of Information Technologies (tbc)

Conférence
« Science des données, science des sociétés »
Erevan, 10-12 avril 2019
