

List of conferences planned by NAS RA Institutes for 2013

- On **23 April 2013**, the annual general meeting of NAS RA devoted to the outcomes of research and scientific-organizational activities of NAS RA for 2012 will be held in the NAS RA meeting hall. The annual general meetings of the science divisions will be held on 22 April
- On **12-16 May, 2013**, the International Conference of Young Scientists "Modern problems of geophysics, engineering seismology and earthquake engineering", dedicated to 70th anniversary of NAS RA will be held in Tsakhadzor, organized by the A. Nazarov Institute of Geophysics and Engineering Seismology NAS RA and Division of Chemistry and Earth Sciences NAS RA
- On **18-20 June, 2013**, the Republican Scientific Conference on the Internationalization of the Armenian Question in the period of 1912-1923. will be held in Yerevan, organized by the Institute of History of NAS RA
- On **27-28 June, 2013**, the conference of young scientists "New Aspects in Molecular Biotechnology and Biochemistry", dedicated to 70th anniversary of NAS RA will be held in Yerevan, organized by the H.Buniatian Institute of Biochemistry NAS RA
- On **15 of July, 2013**, The XXXIV Scientific Conference of the Council of the Young Researchers of the Institute of History of the NAS of the RA, dedicated to 70th anniversary of NAS RA, will be held in Arzakan, organized by the Institute of History NAS RA
- On **24-31 August, 2013**, the Institute of Mathematics NAS RA, Yerevan State University, State Engineering University of Armenia, American University of Armenia, Russian- Armenian (Slavonic) University organize The Second International Conference "Mathematics in Armenia: Advances and Perspectives" (Tsakhkadzor, Armenia). The Conference is dedicated to the 70-th anniversary of the NAS of Armenia. For more information see: <http://mathconf.sci.am/>
- On **26-29 August, 2013**, Byurakan Astrophysical Observatory of NAS RA organizes Colloquium on "Non-stable objects" dedicated to the 90-th anniversary of academician L.V.Mirzoyan (Byurakan)
- On **14-16 September, 2013**, the anniversary meeting and conference of young linguists dedicated to the 70th anniversary of the founding of the Institute of language after H. Acharyan of NAS RA will be held in Yerevan, organized by the Institute of language after H. Acharyan of NAS RA

- On **16-20 September, 2013**, the III International Conference on "Chemistry and Chemical Technologies", dedicated to 70th anniversary of NAS RA will be held in Yerevan, organized by the M.G. Manvelyan Institute of General and Inorganic Chemistry NAS RA and Division of Chemistry and Earth Sciences NAS RA
- On **23-24 of September, 2013**, the Young Scientists Conference "Modern problems of innovation technologies in plant production", dedicated to 70th Anniversary of NAS RA is organized by the Board of Young Scientists NAS RA and G.S. Davtyan Institute of Hydroponics Problems to be held in G.S. Davtyan Institute of Hydroponics Problems
- On **23-27 September, 2013**, Institute for Informatics and Automation problems of NAS RA organizes IX International Conference on "Computer Science and Information Technologies - CSIT-2013". For more information see: <http://iiap.sci.am>
- On **23-27 September, 2013**, Institute of Applied problems of Physics of NAS RA organizes the International conferences "RREPS-13" (together with Tomsk Polytechnic University, Russia) and "Meghri-13". For more information see: www.iapp.am
- On **27-28 September, 2013**, Institute of Applied problems of Physics of NAS RA organizes International School of young scientists named after G.A. Askaryan. For more information see: www.iapp.am
- On **27-29 September, 2013**, the Center for Ecological-Noosphere Studies NAS RA will organize in Yerevan an International Youth Scientific Conference "Environmental issues and identification of risk groups among the population"
- On **27-29 September, 2013**, the Seventh Scientific Session of Young Art Historians, dedicated to 70th anniversary of NAS RA will be held in Yerevan, organized by the Institute of Arts NAS RA
- On **27-30 September, 2013**, the "11th EAST-WEST DESIGN & TEST (EWDTS 2013)" symposium will take place in Rostov-on-Don (Russia)
- On **1-4 October, 2013**, Institute of Mechanics NAS RA, National Committee on Theoretical and Applied Mechanics of Armenia, Ministry of Science and Education of the Republic of Armenia, Russian National Committee on Theoretical and Applied Mechanics, Solid Mechanics Scientific Council of Russian Academy of Sciences, Ishlinsky Institute for Problems in Mechanics of the Russian Academy of Sciences, Yerevan State University, Yerevan State University of Architecture and Construction, State Engineering University of Armenia organize "Young

Scientists School-Conference MECHANICS-2013 "(Tsakhkadzor, Armenia). For more information see <http://www.mechins.sci.am>

- On **1-4 October, 2013**, the 2nd International Scientific Conference of Young Researchers on "Contribution of the Young Generation in the Development of Biotechnology", dedicated to 70th anniversary of the NAS RA will be held in Yerevan, organized by the Scientific and Production Center "Armbiotechnology" NAS RA
- On **4-6 October, 2013**, Shirak's center of Armenian studies in the scopes of "Gyumri as CIS 2013 cultural capital" project organizes "Historical and cultural heritage and contemporaneity" international conference and "School proposed for the young historians and archeologists of CIS countries" which will work in October 1-7. You can be informed about the details through the following website <http://shirakcenter.sci.am>
- On **7-11 October, 2013**, Byurakan Astrophysical Observatory of NAS RA and Armenian Astronomical Society organize IAU Symposium 304: Multiwavelength AGN Surveys and Studies. For more information see: URL www.iaus304.aras.am, www.bao.am
- On **8-11 October, 2013**, in Ashtarak Institute of Physical Researches of NAS RA organizes the International Conference "Laser Physics-2013". For more information see: URL www.ipr.sci.am
- On **17-19 October, 2013**, the Second International Congress on Armenian Studies under the title "Armenian Studies and the Challenges of Modern Times" will be held in Yerevan, organized by the National Academy of Republic of Armenia
- On **21-22 October, 2013**, the Young Scientists Conference "Perspectives for Development of Molecular and Cellular Biology-4", dedicated to 70th Anniversary of NAS RA will be held in Yerevan, organized by the Institute of Molecular Biology NAS RA and Armenian Association for Molecular and Cellular Biology and Immunology
- On **23-24 October, 2013**, the 33rd Conference of Young Orientalists will be held in the Institute of Oriental Studies of NAS RA
- On **October, 2013**, the International Conference, dedicated to the 200-th anniversary of the Gulistan treaty, will be held in Yerevan, organized by the Institute of History of the NAS RA, Department of Armenology and Social Sciences

- On **20-21 November, 2013**, M. Kotanyan Institute of Economics of the National Academy of Sciences of the Republic of Armenia in cooperation with the Armenian State University of Economics organizes a conference of young scientists on "Contemporary Social and Economic Development Issues in the Republic of Armenia" dedicated to the 70th anniversary of the National Academy of Sciences of the Republic of Armenia to be held in Yerevan
- On **November, 2013**, the Republican Scientific Conference dedicated to the 70-th anniversary of the Institute of History of the NAS RA, will be held in Yerevan, organized by the Institute of History of NAS RA
- On **3-4 December, 2013** «National Bureau of Expertises» SNPO organizes Youth Symposium on «The Research of Organizational and Scientific-Practical Experience of Expert Databases Formed in the National Bureau of Expertises and Their Comparison with Databases Existing in the Republic of Armenia. Preconditions for Integration of Existing Databases to the European Ones»
- On **3-6 and 12-16 of December, 2013**, the workshop "Introduction of Contemporary Technologies for Monitoring and Preservation of Fresh Water in Armenia" will be held in Yerevan, organized by the Institute of Molecular Biology NAS RA in the framework of UNESCO program
