

The International Conference «Biotechnology and Health»-2 and DAAD alumni seminar will take place on April 21-25, 2008 in the capital of Armenia, Yerevan. This announcement outlines the highlights of the meeting and invites submission of papers for oral and poster sessions.

ORGANIZERS

Russian-Armenian (Slavonic) University

Institute of Molecular Biology NAS RA

Deutscher Akademischer Austauschdienst

The Conference is hosted by Russian-Armenian (Slavonic) University

Conference Secretariat

Ms Asatryan Suzanna (room # 226), Biomedical Faculty, RAU, 123 H.Emin St, 0051 Yerevan, Armenia, tel/fax: +37410-264783, e-mail: hvardapetyan@rau.am

The Scope of the Conference and Scientific Program

The main scientific topics will include utilization of various modern methods of biotechnology and molecular biology in biomedical research. Plenary lectures will be given by invited speakers. The program will also comprise oral and poster presentations, and discussion sessions. The detailed scientific program of the conference will be given in the 2nd announcement.

Language

The official languages of the conference are English and Russian. All conference related materials should be published in English.

Publications

All invited and submitted papers/abstracts will be published in a special Conference Book after being reviewed by relevant experts. Papers/abstracts together with the registration form should be sent by e-mail before **March 1, 2008**.

Information on conference web-page, registration fee, hotel and ticket reservation, social program, etc will be given in the 2nd announcement.
